PC Downie issued an information leaflet explaining how to contact the Police with a phone no.(101) for non-emergency situations in addition to the customary emergency phone no. (999). A comparison of last year's crime figures for the same period this year showed these remain fairly similar, with 53 crime reports of which 26 have been detected, the most serious being a housebreaking at Balcomie Crescent. He advised that whilst there had been no detections in relation to the problem of vandalism at Muirhead Primary Schools increased patrolling was in operation, and that CCTV has now been installed. This was confirmed by MTRA members in attendance at the meeting. In response to an issue raised by A Cameron with regard to an accident at St Patrick's Primary, PC Downie advised that the initial cause appeared to be driver error.
