ODD OBJECT

Competition

Troon Community Council organises the **“Odd Object in the Shop”** Competition, for children of the 5 primary schools in Troon. Each business will have one item in their window which they do not sell e.g. a tin of soup in the Estate Agents. Write the item alongside the shop name on this entry form. All shops are listed in alphabetical and street order. There is a small map on the back page to assist you. This year the competition is open to **all primary school children** as well as Troon’s primary schools. There will be 3 prizes awarded to each of the schools in Troon, and an additional 10 prizes for children attending other schools.
